YOUR 360° SECURITY SOLUTION

YOUR 360° SECURITY SOLUTION

BluSkills are a security company formed with the commitment to deliver excellence to our customers.

We take a proactive approach to security from the start. Whether you choose our security chauffeur service, our residential security guidance or our close protection service we strongly believe that by investing in our security aware service you are taking the first step to preventing an expensive post incident security solution and the trauma associated with one.

Integrity is one of our core values. We know by working with us we are becoming a large part of your life and trust in us is crucial, because of these values we only use vetted individuals, known and trusted to us with proven track records, to deliver our service.

**WELCOME TO BLUSKILLS,
WE LOOK FORWARD TO MEETING YOU SOON.**

SECURITY CHAUFFEUR SERVICE

BluSkills constantly assess any risk you may face. We are able to adapt our service at short notice to any change in threat level or circumstance, whether this is additional security chauffeurs or our close protection service.

MANAGED

We can keep detailed records of vehicle condition, mileage, servicing and tax whilst also keeping your vehicle looking its best.

TRAINED

All of our security chauffeurs are trained in progressive, evasive and emergency driving techniques along with critical location and route planning, ensuring your safety no matter what the situation. Should the worst happen our operators have undergone medical training, ranging from first person on scene to more advanced levels of life support and patient care.

We operate your vehicles and provide you with an exceptional, low profile, security aware service, we can also supply vehicles on request.

RESIDENTIAL SECURITY

BluSkills deliver residential and commercial security risk assessments and guidance. We assess your current security situation, identifying any potential threats and vulnerabilities to your family, staff, property and assets.

We produce detailed reports and offer solutions and guidance focused on procedural measures which can also be complemented with technical security measures.

ARE YOU AT RISK?

The short answer is yes. Many people become the victim of crime at home or the office; the theft of a loved family pet, a break-in to steal the keys to your car or damage to your property from a disgruntled employee. These events have a psychological impact on you and your family as well as incurring a physical loss.

BluSkills specialises in providing expert security assessments focused on identifying and eliminating any weaknesses and preventing future threats. Whether you are moving to a new property, have recently purchased one or feel your security could be improved BluSkills can help you.

A thorough audit of your home, surrounding area and routine will be undertaken

YOU, YOUR FAMILY AND YOUR PROPERTY DEMAND ONLY THE FINEST PROTECTION

CLOSE PROTECTION

BluSkills provide close protection services for those who require a more comprehensive security arrangement. Close Protection is a comprehensive system put in place to protect groups or individuals from a range of different potential threats.

Your tailored close protection service will be delivered by our highly experienced SIA licensed operatives. Our trustworthy operatives have been through the BluSkills vetting process in accordance with BS7858:2012 and provide you with invaluable security guidance, personal protection, surveillance awareness and lifesaving medical support. We can deliver both long term and reduced commitment contracts.

Our operatives have constant exposure to highly confidential information and recognise the need for complete discretion. We manage the risk allowing you to carry out your activities in a safe and secure environment with total peace of mind.
